NADA COFFEES

- Brewed Coffee** (refills \$.50) \$1.50 Sm \$1.85 Lg
- Espresso** \$1.75 Sgl \$1.95 Dbl
An intense coffee made by forcing water thru a dense “puck” of finely ground coffee under high pressure for approximately 25 seconds. Milk or cream is never poured into espresso except to make other drinks.
- Café Americano** \$1.75 Sm \$1.95 Lg
Espresso blended with hot water for an alternative to brewed coffee.
- Café con Leche** \$3.10 Sm \$3.75 Lg
Espresso is mixed with steamed milk (hot milk with a head of foam). It starts with twice as much milk as espresso. The milk is heated with a steam wand and poured together with the espresso. The microfoam head is poured over the top.
- Cappuccino** \$3.10 Sm \$3.75 Lg
Milk is frothed into a microfoam to roughly double its original volume. The microfoam is then poured over the espresso. Ironically skim milk being higher in protein will produce more voluminous foam than whole milk.
- Machiato** \$2.25 Sm (3 oz) \$2.75 Lg (6 oz)
Steamed milk stained with espresso. (1/3 steamed milk, 1/3 froth, 1/3 espresso)
- NADA Caramel Machiatio** \$4.10 Sm \$4.75 Lg
Steamed milk, froth, and espresso combined with rich, caramel syrup and vanilla flavoring. (Sugar free syrup and flavoring available)
- French Press Coffee** \$3.25 16 oz \$4.45 32 oz
This is a filterless brewing method. Coarsely ground beans of your choice are mixed with hot water and allowed to infuse for 4 minutes. The plunger is pressed to the bottom separating the grounds and served for you to enjoy.
- NADA Hot Chocolate** \$4.00 Lg
A thick, rich chocolate reminiscent of cafes in Barcelona, Rome, and Milan created by melting a blend of 40% and 60% cacao chocolate in steamed milk. It takes a little time and effort, but you will appreciate the experience.
- Flowering Tea** \$5.65 2 Cup Pot
Hand sewn Numi teas magically “bloom” into beautiful flowers before your eyes when steeped in a special glass teapot. Each “bloom” may be re-steeped 2-3 times for you to casually enjoy.
- Hot Tea** \$1.85 2 Cup Pot
Select from one of our Numi organically grown and free trade teas presented in your individual teapot.
