LET US KNOW IF WE CAN HELP IN ANY WAY.

Welcome to Olympia 21! We are first generation Greek-Americans born and raised in Galveston, Texas. We credit our father (Seawall Café) and our uncle (The Golden Greek) for teaching us to follow in their footsteps as great restaurateurs. In their kitchens we were taught Gulf Coast, Creole, and Greek cooking styles. Each day our kitchen prepares the freshest foods continuing with our treasured traditional family recipes. Our promise to you is that we will continually test new items as well as maintain the integrity of the family recipes, which have continued to please our customers for four generations in Texas. Texas grown, caught wild or produced here is a big part of our menu fish, meat, spirits, etc. We also promise to ensure that when you visit our restaurant, you will feel at home and enjoy a memorable experience. **"Highest Quality for a Good Value"**. We sincerely hope that you enjoy our restaurant and tell your friends about us.
