ArtWalk is Saturday, August 25
Can’t make it during ArtWalk?
Most participating locations showcase the artwork listed here through the end of the month, or until the next ArtWalk. Check each listing for more information.
With restorations to the rail trolley cars underway, four rubber-wheel trolleys now provide access to ArtWalk with seven stops in the Historic District.

For over 25 years, the Galveston Arts Center has organized ArtWalk on eight Saturday evenings each year in the heart of Galveston’s historic district. ArtWalk takes place inside existing art galleries (both commercial and non-profit) and other public spaces, such as cafes and shops that showcase rotating art exhibits.

One of the Galveston Arts Center’s largest programs, ArtWalk supports our arts community and connects a diverse assortment of local places to see, learn about, and purchase original art.

Support for ArtWalk comes from the businesses listed in this brochure, and through state grants, charitable foundations, private donations, and memberships.
